

Aubree's Nation Loyalty Club Frequently Asked Questions

We're excited to share that there is a delicious way for you to earn rewards for dining at Aubree's. For each \$1 spent at Aubree's, members will receive 1 point. Accumulate 100 points and you receive \$10 your next visit. It's that simple.

Here are some answers to frequently asked questions about the Loyalty Program. If you have a question that is not answered below, please send an email to LoyaltyClub@aubrees.com.

- Q: What happened to any rewards and points I earned and did not use from the old program (prior to April 3, 2017)?**
A: We encouraged all Loyalty Club members to try to use their rewards by March 31, 2017. We rolled your old points to the new program. Here is an example of how this transition worked:
- On April 3, a member had 600 points in the old program, which was based on a total goal of earning 1,200 points. That means this member was 50% of the way to the total goal. In the new program, that member's card was credited 50 points, which is also 50% of the way to the 100 point goal.
- In another example, a member had 900 points in the old program on April 1. This equals 75% of the way to the total goal. When those points are transitioned to the new program, this member has 75 points on their card, which is 75% of the way to the 100 point goal.
- Q: How do I join the Aubree's Nation Loyalty Club?**
A: Simply visit any Aubree's location and speak to a team member to join.
- Q: Where can I earn points?**
A: Points are earned on all purchases at any of Aubree's 11 locations, including dine-in, delivery, and carryout orders.
- Q: How do I earn points?**
A: Simply bring your Loyalty Club card whenever you visit Aubree's and your server will swipe your card when you pay for your meal. Points are added to your membership immediately.
- Q: Can I earn points for a visit before becoming a Loyalty Club member?**
A: Unfortunately, you can only earn points after you sign up to become a member.
- Q: How can I track my progress?**
A: You can check your Loyalty Club membership points online at aubrees.com/loyalty-e-club. A member of our team can also check your status at any Aubree's location.

Q: How do I redeem my \$10 reward after earning 100 points?

A: Your \$10 reward will automatically deduct from your next visit once your membership card is swiped. If you do not spend the full \$10 during that visit, any remaining credit will carryover to your next visit. For example, if you spend \$8, the remaining \$2 will be deducted from your next visit when you use your card.
